Dr. Larry Stone Attends Valley Forge Dental Conference *Inducted as Director*

(March 2014) – Doylestown, PA – Dr. Larry Stone attended the 28th Annual Valley Forge Dental Conference, held March 5-7, 2014 at the Valley Forge Radisson Hotel, King of Prussia, PA. The Second District Valley Forge Dental Association representing members in Bucks, Chester, Delaware, Lehigh, Montgomery and Northampton Counties sponsors the annual conference. During the business meeting, Dr. Stone was inducted as a Director to the Second District Dental Association for 2014-2015, representing the Montgomery-Bucks Dental Association.

As part of his continuing education in quality dental practice, Dr. Stone attended presentations at the conference on Implant Prosthodontics with Dr. Gordon Christiansen, Innovative Periodontics with Dr. Samuel Low, and Sleep Apnea with Dr. John Tucker.

“I find this conference an excellent venue for information exchange with my fellow colleagues. Not only can we share insights during the presentations, but we have the opportunity to see the latest technologies available to dentistry during exhibit hours,” states Dr. Stone. “I look forward to attending every year.”
