**DR. LAURENCE H. STONE EARNS MASTERSHIP STATUS IN  
THE INTERNATIONAL CONGRESS OF ORAL IMPLANTOLOGISTS (ICOI)**

December 18, 2012 – Doylestown, PA -- Dr. Laurence H. Stone of Doylestown, PA earned Mastership status in The International Congress of Oral Implantologists (ICOI) on July 5, 2012.

The awarding of Mastership status is an honor, which a professional society such as the ICOI bestows on a dental professional involved in dental implant treatment. The ICOI has a Mastership program in which active members are encouraged to achieve Mastership status through their efforts in education, research and actual clinical experience. All Masters of the ICOI may choose to list the designation “MICOI” after their names.

The International Congress of Oral Implantologists is a tax-exempt, non-profit, worldwide dental educational organization. It is dedicated to communicating scientific knowledge and improving the clinical practice of dental implantology worldwide. The ICOI has public information programs, publishes a bimonthly journal and a quarterly newsletter. It conducts numerous scientific symposia each year and supports research and education through its Implant Dentistry Research and Education Foundation (IDREF).
